GAROFALO HEALTH CARE S.P.A ENTERS THE FTSE ITALIA MID CAP INDEX

Rome, July 30, 2021 - Garofalo Health Care S.p.A. ("**GHC**"), listed on the STAR segment of the Italian Stock Exchange, announces that starting from next Monday, August 2 its ordinary shares (ISIN: IT0005345233) will be included in the FTSE Italia Mid Cap index.

The promotion in the index, which gathers the top 60 Italian companies by market capitalization not included in the FTSE MIB index, was decided by the FTSE Italia Index Series Technical Committee as part of the usual quarterly review of the basket and takes place considering the compliance by GHC shares with strict free float and liquidity requirements.

Alessandro Maria Rinaldi, Chairman of the Board of Directors of GHC, stated: "*The return to the Ftse Italia Mid Cap index, a few months after entering the STAR segment, is an important signal that places GHC among the top hundred companies listed in Italy by market capitalisation. We are confident that this will help to further expand our shareholder base, for the benefit of all our shareholders. Among other things, this promotion coincides with the second acquisition made in the year and the eighth since the IPO, significant transactions that have led us to double both Revenues and Adjusted Ebitda of the Group in almost two and a half years.*"

Even after the transition to the new index, GHC will continue to be part of the STAR segment, as well as the FTSE Italia All-Share and FTSE Italia STAR indices, while from August 2 it will cease to belong to the FTSE Italia Small Cap index.
